Important Information from the City of Buckeye Public Works Department

Below is important news you can use from the City of Buckeye Public Works Department. In this issue of the Buckeye Public Works News Notice:

#### Trash Talk while Staying Home, Staying Healthy

During these unprecedented times, it is important that we all do our part to ensure Buckeye remains clean.

You can Help Keep Buckeye Clean by staying aware of service changes:

#### Bulk Trash has been suspended until further notice

- This helps with continued safety of our sanitation team
- Please do not place bulk trash out. It will not get picked up.
- Please take your bulk trash to the [Southwest Regional Landfill](#). Request a landfill certificate by emailing your name and service address to [trashadmin@buckeyeaz.gov](mailto:trashadmin@buckeyeaz.gov) (one certificate per home).

#### The household hazardous waste (HHW) program has been suspended.

- Many people are cleaning and doing small projects around the house, and have created household hazardous waste.
- Please remember to handle this material safely, paying close attention to chemical labels for waste and storage instructions.
- A notice will be issued on our website when the HHW program begins again.

#### More household trash is being created!

- Extra trash carts are available - Get a temporary second trash can during this COVID crisis by calling customer service at 623-349-6100.
- Never place extra bags or recycle material next to a trash or recycle can. It will not get picked up.

- Always bag and tie all trash
- Always shut the lid of the trash and recycle cans.

We all play a role in keeping our community clean. Thank you for your patience during this temporary safety protocol.

Please see [buckeyeaz.gov/trash](http://buckeyeaz.gov/trash) for more information, and thank you for your assistance as we all work together to:

## Help Keep Buckeye Clean

Please let us know how we may assist you.

Sincerely,

Robert van den Akker  
Public Works Department, Environmental Manager
